

# AC Yule Glass Balustrades

AC Yule Balustrades are a colour-coated aluminium railing system, which is strong, elegant and maintenance free. It is available in three styles: full height glass, semi-frameless glass and frameless glass, with either toughened glass or vertical baluster options, in a wide range of colours. Suitable for Decks, Stairways, Balconies, Handrails, Pool Surrounds, Boundry Fences, Pool Gates, Stairway Gates. These systems can be supply only or supply and fit.

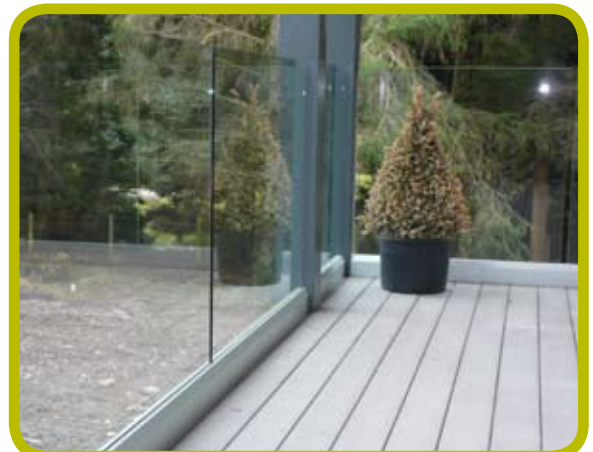

## Frameless system

- Fully adjustable for glass alignment
- Easy re-adjustment if deck moves
- Grout free installation
- All fixings concealed
- Standard 20 micron natural anodized & powder coated finish
- Can be side fixed or based fixed
- Timber, concrete or steel installation
- Base fixing allows for installation inside the deck
- Base fixing covers can be slotted to allow drainage
- Non toe hold design

This frameless balustrade system is designed to be used with 15mm toughened glass polished on all edges to create a base mounted frameless balustrade.

This system is suitable for external and internal balustrades and pool fence installations.

This unique system is fully adjustable for glass alignment if the deck ever moves.

## Semi frameless system

Incorporating 10mm toughened glass with 2 polished edges, and featuring our exclusive non weld hidden fastening system, there are no unsightly clamps on the glass, resulting in a clean and elegant finish.

Manufactured from extruded aluminium with a powder coat finish, offering a maintenance free life. Our standard colour is Silver Fern, the smart alternative to stainless steel.

All internal and external fixings are 316 grade stainless steel for a long life. AC Yule Balustrade is engineered and BSI tested to comply with BS6180:1999 clauses 6.3.1 and 6.4.1 in conjunction with BS6399 Part 1. All glass is BS6206 for Safety Glass.

## Framed system

Incorporating 6/8 mm toughened glass showing 2 polished edges on the vertical and featuring our exclusive non weld hidden fastening system, there are no unsightly clamps on the glass, resulting in a clean and elegant finish.

Manufactured from extruded aluminium with a powder coat finish, offering a maintenance free life. Our standard colour is Silver Fern, the smart alternative to stainless steel.

All internal and external fixings are 316 grade stainless steel for a long life. AC Yule Balustrade is engineered and BSI tested to comply with BS6180:1999 clauses 6.3.1 and 6.4.1 in conjunction with BS6399 Part 1. All glass is BS6206 for safety glass. AC Yule Full Height Balustrade utilizes our exclusive contoured handrail.
