

TAYSIDE WINDOWS

Ref No: 2004/02
Date: July 2004

RANGE OF ACCREDITATION ACHIEVED

Forfar based Windows & Door company Tayside Windows (part of the AC Yule group), have recently achieved the Secured by Design certification for their range of composite doors.

The doors have also received the PAS 23 and PAS 24 requirements and are fully approved under the Secured by Design scheme.

In a addition to the above Tayside has also achieved BS 7412 for their PVCu windows and doors, along with BS 7950 which is an enhanced security test for PVCu windows.

Derek Howitt, General Manager at Tayside commented "the strategy for Tayside is to have our full product range tested to meet the highest industry standards, both in terms of quality and security. The achievement of Secured by Design for our Composite Door Range and BS7950 for our PVCu windows is only the beginning of our continued effort to provide customers with added value in terms of quality and enhanced security. This has only been made possible by the hard work and commitment and desire to continually improve, by all the staff at Tayside Windows."

Tayside Windows employ 71 people at their factory in Forfar.
